PTSA Website and Directory

The PTSA uses an online service called Membership Toolkit for our website and online directory.

The **WEBSITE** provides information about upcoming events, lets you see and sign up for volunteer opportunities, and allows members to access the Hill family directory.

The **DIRECTORY** has replaced Directory Spot. The online directory is available to all PTSA members. It includes all families in Hill, unless they have opted out of being listed in the directory. Please note that the directory is available for viewing in October. There is also a Membership Toolkit app that allows you to access the directory and a calendar of PTSA events.

How to register for the website:

- Go to https://hillptsa.membershiptoolkit.com/home
- Click on the **Log In** button or the Registration button.
- Select "**Create Account**" and fill in the name, email, and password information. Your information has been linked to the email address you used for school and/or PTSA registration.
- Click "**verify my email**" and then check your email for a link to complete the process. The link expires in 2 hours. If you do not receive the email, check your spam or junk folders.
- Once you have verified your email address, **log back in and finish the registration process**.

Finishing the registration process: Complete the **Parent/Family and Student Information** forms.

- Complete the **Directory/Publish Preferences**.
- Complete the **Volunteer Interests** survey

Get the Mobile App

Calendar and membership information are also available through a mobile app called **Membership Toolkit**.
