To keep the unique quality and great sales at our show, **all items must be handmade.** Manufactured or buy-sell items will not be accepted. If you display items that are not handmade, we will ask that they be removed. Also, **please bring only the items that you list on your application so we can have good placement for your booth.** Thanks for honoring these requests and keeping our show great for all the crafters!

*Gingerbread Junction booth applications are accepted on a rolling basis. We reserve the right to accept or deny applications based on what we believe will be most desirable to our buyers, as well as to maintain an appropriate balance of different product items.*
